Copy of a letter No. F.I/Claims /3949 dated the 31st December 1951 from the Accountant General, Bombay to the Chief Secretary to the Government of Bombay.

Subject:- Indo-Pakistan Provisional and final payment Schemes payment against G.P.F. to be credited in the P. F. accounts opened or to be opened in India.

I have the honour to forward herewith a copy of letter No. D. 8365-BI/51, dated 18.10.1951 from the Government of India, Ministry of Finance (Deptt. of Economic Affairs) New Delhi from which it will be seen that it has been decided to credit the fund amounts authorised by the Officer-in-charge "Claims", New Delhi, to the fund accounts (opened or to be opened in India) of the displaced Government servants who have been re-employed under the Central Government.

As there are several cases where payments (either provisional or final) have been authorised by the Officer-in-Charge Claims New Delhi in respect of persons now employed under the Government of Bombay. I would enquire whether the Government of Bombay have any objection to a similar procedure being adopted in respect of the displaced Government servants employed under them. The favour of an early reply is requested.

Accompaniment.

Government of letter. No. D. 8365-BI/51 dated the 18.10.51 from the Government of India, Ministry of Finance (Department of Economic Affairs) New Delhi to All Civil Accountants General etc.

Subject:- Indo-Pakistan Provisional payment scheme payment against General Provident Fund to be crddited in accounts to be opened in India.

I am directed to refer to the press communique issued by the Government of India on the 21st January 1951 a copy of.....

of which was enclosed with this Ministry's letter No. D. 5112, dated the 2nd June 1951, regarding the scheme for Provisional payment of pensions, G. P. Fund balances etc. to displaced Government servants. In the case of displaced Government servants who have been reemployed in India under the Central Government the Government of India have decided that they should be asked to credit the amount provisionally paid to them into their G.P. Fund. The payment will not therefore be made in cash to them but by credit to their P.F. account under advice to the Government servant concerned. They will be required to sign a receipt for the sum to be paid together with a letter agreeing that the amount should be paid to their P.F. accounts. On this authority the amount due to the Government servants should be credited to their G. P. Fund accounts by adjustment.

Subject:-Indo-Pakistan Provisional Payment Scheme payment against G.P. Fund to be credited in the Accounts opened or to be opened in India.

I.....

I have the honour to invite a reference to the Government of India, Ministry of Finance letter No. D. 8365-B, I/51 dated the 18th October 1951 according to which the payments of G.P. Fund balances to the displaded Government servants who have been reemployed in India are to be credited to their Fund A/Cs. opened or to be opened in India. In this connection, I would state that the payment authorities in respect of such claims were being received in this office from the Officer-in-charge "Claims", New Delhi from June 1951 onwards but the amounts were not then credited to the Fund Accounts of the displaced Government servants concerned in the absence of the orders of the Government of India which were issued only in October 1951. I would therefore enquire whether interest in all such cases may be allowed from the month following that in which the payments were authorised by the claims Officer or from November 1951, i.e. the month following the month in which Government issued orders in their letter under reference. The favour of an early reply is requested.

Reference you letter, No. F.I./Claims /3949 , dated the 31st December 1951, on the subject noted above. There is no objection to the procedure similar to that indicated by the Government of India in their letter No. D. 8365-B-I./51, dated the 18th October 1951, being followed in respect of displaced Government servants reemployed in service under this Government. Their provident fund balances authorised for payment by the Central Claims Organisation should not be paid to them in..

2. As regards you Memorandum No. F.I./Claims. 13, dated the 8th April 1952, I am to say that the Provident Fund balances of the displaced Government servants may be allowed interest at the rates prescribed by this Government from year to year, with effect from the month following that in which the balances were authorised by the Central Claims Organization and became available for this Government for ways and means purposes.
